### HOW TO BAR-B-QUE WITHOUT GOING TO JAIL

Providing alcohol to minors is now considered a more serious offense. Instead of receiving a citation, you will now go to jail for handing a beer to someone who is under 21 years of age. Also, anyone who is under 21 and gets behind the wheel of a vehicle with ANY detectable amount of alcohol is committing a criminal offense (regardless of whether or not that person is intoxicated).

Have fun this year, but please be responsible!!!!
